§ 61.64 Religious organizations.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in VA programs under this part. In the selection of service providers, neither the Federal Government nor a state or local government receiving funds under this part shall discriminate for or against an organization on the basis of the organization's religious character or affiliation.

(b)(1) No organization may use direct financial assistance from VA under this part to pay for any of the following:

(i) Inherently religious activities such as, religious worship, instruction, or proselytization; or

(ii) Equipment or supplies to be used for any of those activities.

(2) For purposes of this section, “indirect financial assistance” means Federal assistance in which a service provider receives program funds through a voucher, certificate, agreement or other form of disbursement, as a result of the independent and private choices of individual beneficiaries. “Direct financial assistance,” means Federal aid in the form of a grant, contract, or cooperative agreement where the independent choices of individual beneficiaries do not determine which organizations receive program funds.

(c) Organizations that engage in inherently religious activities, such as worship, religious instruction, or proselytization, must offer those services separately in time or location from any programs or services funded with direct financial assistance from VA, and participation in any of the organization's inherently religious activities must be voluntary for the beneficiaries of a program or service funded by direct financial assistance from VA.

(d) A religious organization that participates in VA programs under this part will retain its independence from Federal, State, or local governments and may continue to carry out its mis-

sion, including the definition, practice and expression of its religious beliefs, provided that it does not use direct financial assistance from VA under this part to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide VA-funded services under this part, without removing religious art, icons, scripture, or other religious symbols. In addition, a VA-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members and otherwise govern itself on a religious basis, and include religious reference in its organization's mission statements and other governing documents.

(e) An organization that participates in a VA program under this part shall not, in providing direct program assistance, discriminate against a program beneficiary or prospective program beneficiary regarding housing, supportive services, or technical assistance, on the basis of religion or religious belief.

(f) If a State or local government voluntarily contributes its own funds to supplement Federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this provision applies to all of the commingled funds.

(g) To the extent otherwise permitted by Federal law, the restrictions on inherently religious activities set forth in this section do not apply where VA funds are provided to religious organizations through indirect assistance as a result of a genuine and independent private choice of a beneficiary, provided the religious organizations otherwise satisfy the requirements of this Part. A religious organization may receive such funds as the result of a beneficiary's genuine and independent choice if, for example, a beneficiary redeems a voucher, coupon, or certificate, allowing the beneficiary to direct where funds are to be paid, or a similar funding mechanism provided to that

§ 61.65 Inspections.

VA may inspect the facility and any records of an entity applying for or receiving assistance under this part at such times as are deemed necessary to determine compliance with the provisions of this part. The authority to inspect carries with it no authority over the management or control of any entity applying for or receiving assistance under this part.

§ 61.66 Financial management.

(a) All recipients shall comply with applicable requirements of the Single Audit Act Amendments of 1996, as implemented by OMB Circular A-133.

(b) All entities receiving assistance under this part must use a financial management system that follows generally accepted accounting principals and provides accounting records, including cost accounting records that are supported by documentation. Such cost accounting must be reflected in the entity's fiscal cycle financial statements to the extent that the actual costs can be determined for the program for which assistance is provided. All entities receiving per diem under this part must monitor the accuracy of the costs used to determine payment amounts per veteran. Entities receiving assistance must meet the applicable requirements of the appropriate OMB Circular for Cost-Principles (A-122 or A-87).

§ 61.67 Recovery provisions.

(a) If after 3 years from the date of award of a capital grant, the grant recipient has withdrawn from the VA Homeless Providers Grant and Per Diem Program (Program); does not establish the project for which the grant was made; or has established the project for which the grant was made but has not had final inspection, VA

would be entitled to recover from the grant recipient all of the grant amounts provided for the project.

(b) Where the grant recipient is not subject to recovery under paragraph (a) of this section, VA will seek recovery of the grant amount on a prorated basis where the grant recipient ceases to provide services for which the grant was made or withdraws from the Program prior to the expiration of the applicable period of operation, which period shall begin on the date of final inspection for which the grant was made. The amount to be recaptured equals the total amount of the grant, multiplied by the fraction resulting from using the number of years the recipient was not operational as the numerator, and using the number of years of operation required under the following chart as the denominator.

Grant amount (dollars in thousands)	Years of operation
0-250	7
251-500	8
501-750	9
751-1,000	10
1,001-1,250	11
1,251-1,500	12
1,501-1,750	13
1,751-2,000	14
2,001-2,250	15
2,251-2,500	16
2,501-2,750	17
2,751-3,000	18
Over 3,000	20

Example A: Grantee A is awarded a grant and does not bring the project to operational status within 3 years from the time of award. Grantee A may be subject to full recapture of the grant award.

Example B: Grantee B is awarded a grant in the amount of \$300,000 and brings the project to operational status within 3 years from the time of award. Grantee B then provides services to homeless veterans for a period of 6 years from the date the program was operationalized, but now decides to close the program. As the original award was \$300,000 and as a condition of receiving the grant funds Grantee B agreed to provide services for 8 years. Therefore, Grantee B would be subject to the prorated recapture of the grant award for the 2-year period not served or in this case 1/4 of the original grant would be subject to recapture.

Example C: Grantee C is awarded a grant in the amount of \$400,000, becomes operational within 1 year of the date of the grant award and ceases operation 1 year later, 2 years after the date of the grant award. After the expiration of the 3-year period beginning on
